Global Business Outlook

December 5, 5:30 pm / 3M Innovation Center

Key emerging global trends and insights for business

Global Business Outlook was a huge success in 2023! This year's event will again be brimming with insights and exceptional networking. Global Business Outlook will bring together 200+ Global Minnesota Corporate and individual members with business professionals from across the community.

Following a keynote presentation of global business megatrends important for 2025 strategic planning, elite experts from our diplomatic, government, and private sector will offer important insights on the strategic responses business leaders need to understand today to prepare for success in 2025.
